

# LESSON PLAN OF Geo.

Name of College:- CH. BANSI LAL GOVT. P.G. COLLEGE LOHARU (BHIWANI)

Academic Session:- 2023-24

Semester:- B.A. 6th sem

Subject:- Geo. Morphology

Teacher name:- Dr. Seema

August

Climatology Nature and Season Climate and Water image of Climate Factors Composition and Structure of Atmospheric .

Atmospheric Pressure and Wind Distribution, Atmospheric Moisture Humidity, Evaporation and Forms of Condensation, Types of Precipitation: World Patterns of Rainfall

March:-

Air masses: Concepts and Classification: Atmospheric Disturbances, Tropical and Temperate Cyclones and Anticyclones

April:-

Climatic Regions, Classification of Köppen and Thornthwaite. Climate Changes and Global Warming Evidence, Causes, Consequences and Measures of its Control.

Lesson Plan of Geography

Session (2023-24)

Name of Lecturer:-Dr.Seema

Semester: 1<sup>st</sup>

Sr. no.	Week/months	Topic / particulars
1	August	Geographical Location , Physiography ,Structure and Drange System ; Climate ,soils and Natural Vegetation
2	September	Population :Size Growth Distribution, Density and composition ;migration types and recent Trandes
3	October	Indian Agriculture :Characteristics ,Green Revolution and problem of Indian agriculture; Energy Resource :Coal Petroleum, Hydroelectricity and NuclearEnergy
4	November	Minerals and Industries; Iron Ore Manganese, Iron and Steel,Cotton Textile,and Sugar Industries; Transportation Modes :Road and Rail

## Lesson Plan of Geography

Session (2023-24)

Name of Lecturer:-Dr.Seema

Semester: 2nd

Sr. no.	Week/months	Topic / particulars
1	1 <sup>st</sup> / Feb.	Nature and Scope of Economic Geography: Relation of Economic Geography with other branches of social science.
2	2 <sup>nd</sup> /Feb.	Location and special Originations of Economic Activities.
3	3 <sup>rd</sup> / Feb.	Classification of Economic Activity: Primary Secondary and Tertiary
4	4 <sup>th</sup> / Feb	Models in Geography : von-Thunen models Agricultural location
5	1 <sup>st</sup> / March.	Edward Ullmans model of spatial interaction
6	2 <sup>nd</sup> / March	World Natural Resources: Types and Utilization and Conservation
7	3 <sup>rd</sup> / march	Spatial Distribution of food crops Rice and wheat
8	4 <sup>th</sup> / March	Commercial crop Cotton and Sugercane with special reference to india
9	1 <sup>st</sup> / April	Trade and transport :main features of international trade
10	2 <sup>nd</sup> / April	Transport cost, Assessbility and connectivity
11	3 <sup>rd</sup> / April	Major oceanic routes in the world
12	4 <sup>th</sup> / April	Taken test and Assigenment

## Lesson Plan of Geography

Session (2023-24)

Name of Lecturer:-Dr.Seema

Semester: 3rd

Sr. no.	Week/months	Topic / particulars
1	August	Definition , Nature , Scope and fields of Physical Geography ; Geological Time Scale and Rocks ; Earth Movements ; Orogenic and Epeirogenic .
2	September	Fundamental Concepts of Geomorphology ; Earthquakes and volcanoes ; Weathering and Mass Movements ; Process and Landforms of Wind and Running Water .
3	October	Weather and climate , Origin , Composition and Structure of Atmosphere , Monsoon , Jet Stream , EL-NINO , LA-NINO Phenomena .
4	November	Configuration of Ocean Floor and Surface Relief of Pacific , Atlantic and Indian ocean ; Temperature and Salinity of Ocean ; Tide , Waves , and Oceanic Currents ; Circulation in Pacific , Atlantic and Indian Ocean .

## Lesson Plan of Geography

Session (2023-24)

Name of Lecturer:-Dr.Seema

Semester: 4th

Sr. no.	Week/months	Topic / particulars
1	Februry	Human Geography:Defination,Nature,Scope,Approaches,Major Branches,Contemporary Relevance . Human Races:Classification and Diistribution Human adptation to the environment (cold region-Eskimo)
2	March	Bushman plateau-Gonds Mountains-Gujjars .Distribution of population ,factor affecting the Distribution of population ;population Resource region and growth of population human migration :causes and consequences.
3	April	Human Settlements :Origin,Growth and distribution pattern of rural and urban settlement .functions and characteristics of rural and urban settlementand their problem.
